## 2018 P&C Re-cap

It has been an incredible year not only representing as your 2018 P&C President, but also working with our Committee and Miranda Public School to be able to fundraise in as many creative ways as possible. Thus bringing delight to our students in receiving much needed resources and equipment, where government funding does not extend.

On behalf of your P&C Committee I am proud to be working with parents and carers of the Miranda Public School and the generous Sponsors of our local community. It has been a pleasure meeting and making new friends and working relationships.

My Treasurer and fellow parent volunteer Peter Pakarinen, informs me that in 2018 with your support, we have raised over \$15,000.00, and have donated over \$15,000.00 to the school this year.

This includes:

- over \$12,00.00 for Ipads/laptops to update and keep up with the Technology component of the curriculum,
- almost \$3,000.00 in advanced Home Reader Books,
- almost \$500.00 contribution to a school water tank (in lieu of the proposed Chicken Coop that was planned for last year. Due to long term care for the chickens that could not be maintained, it was decided that the funds raised would go to other sustainability projects),
- and \$500.00 towards the Year 6 Farewell.

We have achieved raising this money by various events throughout the year such as Cake Stalls, BBQs, School Banking, Brickfair, Mother's/Father's Day Stalls, and many other projects.

**BIG SPECIAL THANKS** to all the many Parent/Carer Volunteers, P&C Members, Mrs Chaplin, Staff and Sponsors of the MPS Community to make this all happen. We can all be proud of the contribution you have made and I am blessed to be working with so many people.

I thank you sincerely for your support.

Wishing everyone a very wonderful Christmas and an amazing New Year! If I don't get to see you during the holidays, keep well and see you next year!

**Thank you for supporting Your P&C. Please feel free to contact me for any queries or offers of assistance.**
