

Stage 1 Learning Activities: Term 2 Week 4

Monday 18.05.2020 – Friday 22.05.2020

This week, students will be at school 1 day per week, face to face in the classroom. Learning from home will continue for the other 4 days.

Students will need to enter our Stage 1 2020 Google Classroom for daily information and to access the learning materials needed to complete the activities in the grid below. Please see the next page for more details and activities.

	Remote Learning Day 1	Remote Learning Day 2	Remote Learning Day 3	Remote Learning Day 4	Face to Face Day
Notes	Read today's Google Classroom Attendance Post.	Read today's Google Classroom Attendance Post.	Read today's Google Classroom Attendance Post.	Read today's Google Classroom Attendance Post.	Your child will be attending school on their allocated day.

The NSW Department of Education suggested daily allocation for learning from home activities is **3 hours for Stage 1 students**.
 This includes approximately 2 hours of English/Mathematics and 1 hour of activities across other learning areas.

ATTENTION: Miss Louise's Dancers

For those students in Miss Louise's Junior Dance Group, we invite you to join her Google Dance Classroom. **Class Code:** br5sgrs

You can also access this week's dance lesson via this link: <https://youtu.be/197IAyKsaTQ>

More Daily Activities

We encourage the following activities to be completed:

- **Reading**

Select a book at home and read to yourself, an adult or older sibling for 10-15 minutes each day.

- **Topic Talk**

This week's topic is, **My Favourite Story or Book**.

You may speak to a family member, or film your Topic Talk and send it to your class teacher on **ClassDojo**.

- **Mathematics Extension Activities** (optional)

You might like to have a go at answering some extra number problems. They can be found in our **Stage 1** Google Classroom by going to **Classwork > Term 2 Week 4 > Mathematics Extension Activities | Term 2 Week 4**.

How to Complete the Daily Activities

Students will need a computer or device to access our **Stage 1 2020** Google Classroom to complete activities. A notebook, paper or whiteboard, pencils or whiteboard markers will be needed daily.

At the beginning of each day, please enter our Google Classroom and read the daily posts in the **Stream** section. There will be slides for each activity called **Learning Content Slides**, which are located in the **Classwork** section. The slides will list the materials needed and instructions for each activity.

The activities in the **Learning Activities Grid** are encouraged activities and some will be submitted to class teachers by photo or video to **ClassDojo** digital portfolios. The grid shows the suggested order for completing the activities. Any questions you may have, please send them to your child's class teacher through messages in **ClassDojo**. For questions that need a prompt response on Monday-Wednesday, you are welcome to comment on the day's, **Today's Learning Activities** post, with your question and another teacher will be able to reply.

Additional Activities

In our Google Classroom, there are additional activities, which are optional, but for students who wish to complete more tasks. These additional activities can be completed at any time. They are located in the **Classwork > Additional Materials**. Here you will find resources and links for additional activities, including **Reading Eggs**, as well as learning opportunities provided by Mrs Leavold as part of Library. Please check **Additional Materials** regularly, as our teachers will be adding new content here, as we source or create them.
