

Colour all the things that would be smaller than the envelope if they were placed on top of it.

Area Day 1 Direct comparison of area

UNIT
16

Sue put the red book on top of the green book.

I can compare areas.

Which book has the larger area? _____

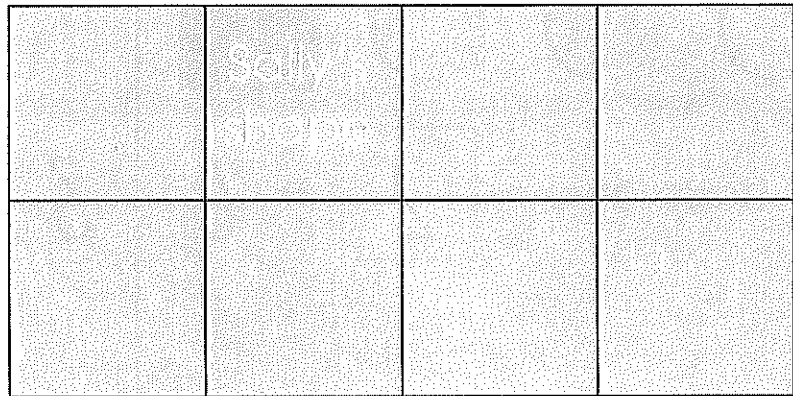

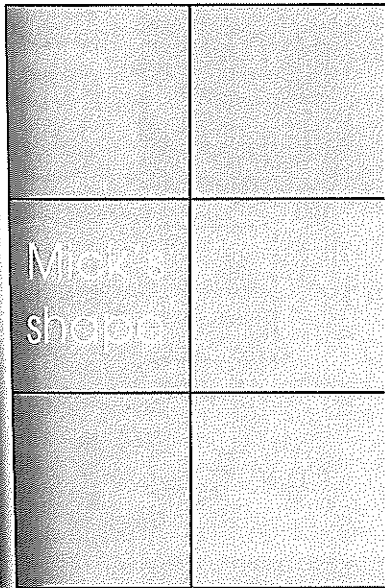

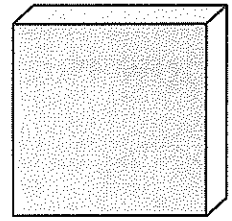

Pick a book then compare it to the area of other books by covering one with the other.

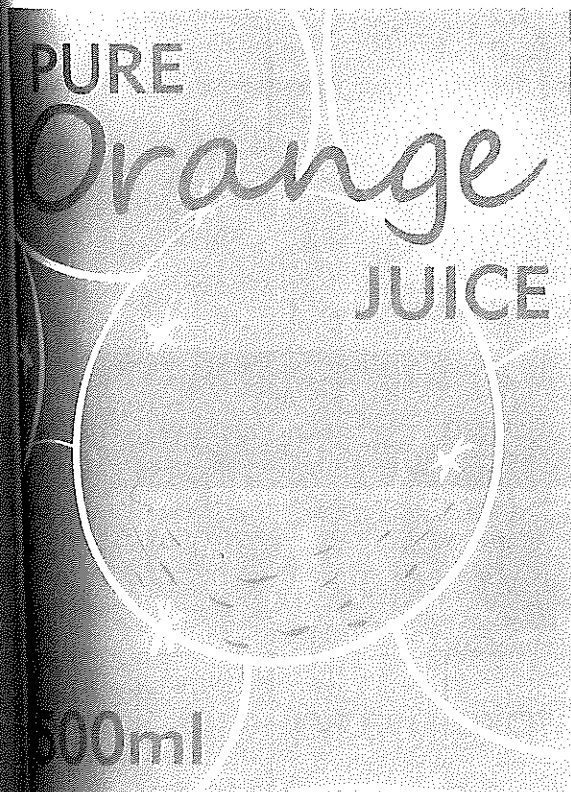

The atlas is larger.

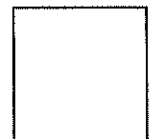

Mick and Sally made a shape each.
They covered the areas of their shapes with square blocks.

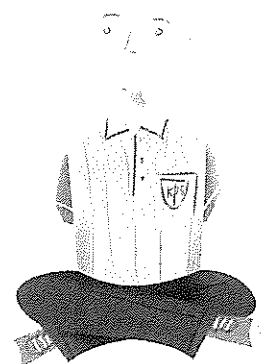

Who had the larger shape? _____
Discuss with a friend how you knew it was larger.

Cover the area of the juice carton with square blocks.
How many square blocks did you use?

Don't leave any gaps.

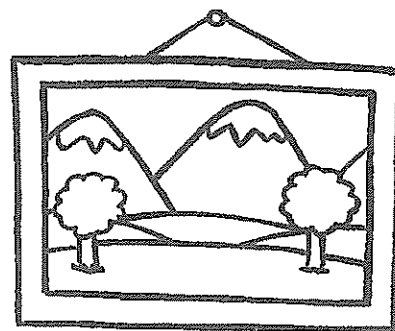

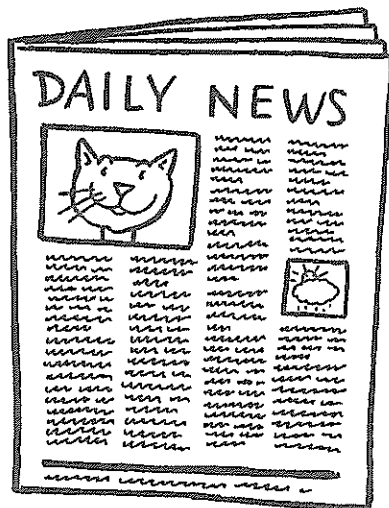

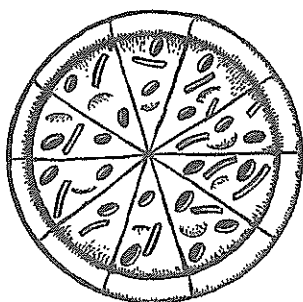

Name _____

Class _____ Date _____
