School Support Programs

Dear Parent/ Caregiver,

Your child will be participating in the Multilit Program this term. This program will assist your child in **reading** and help to develop his/her skills in sight word knowledge and word attack skills.

The program will run 3 times per week on **Tuesday, Wednesday and Thursday** with the support of our community tutors.

If you have any questions regarding this program please do not hesitate to contact me on the above days.

- It is advisable that any student who is receiving additional support in reading should have a vision check with an **optometrist**.
- Please ensure your child is at school on time as support programs commence promptly at 9:15am
- Please sign and return to Mrs Beazley.

Yours Sincerely,
Margaret Beazley
Multilit Teacher
Connie Metros
Learning and Support Teacher

Narelle Chaplin
Relieving Principal

School Support Programs

I/We have read the information regarding school support programs for my child.

Child's Name: _____ Class: _____
