2nd March 2020

Year 6 Port Hacking High School – Writing and Sport Workshop

Dear Parents and Carers,

Year 6 students from Port Hacking High School's four main feeder schools will attend Port Hacking High School as an activity to support their transition to secondary school in 2021.

Students will engage in a writing workshop focused on developing their persuasive writing skills, delivered by the English faculty, and then participate in a range of sporting activities run by the PDHPE faculty and senior students. The intention is for students to have the opportunity to learn with their peers from local primary schools in a secondary setting to increase their confidence moving into high school next year.

All Year 6 students from Miranda PS have been invited to attend the workshop even if they are not enrolled to attend Port Hacking High School next year.

Date: Monday 9th March (Week 7, Term 2)

Times: 9.30am- 2.30pm

Wear: Full sports uniform and school hat

Bring: Small bag with water bottle, recess and lunch. Students can also purchase some food from the canteen at lunchtime.

We are excited for all our Year 6 group to attend and take advantage of this wonderful opportunity. The students will be accompanied by Ms McMillan, who is fully trained in CPR and emergency care.

Please return the attached permission note by Friday 6th March 2020.

Kind Regards,

Jessica Cairnduff
Relieving Stage 3 Assistant Principal

Jade McMillan
Classroom Teacher

Relieving Principal

Miranda Public School – Year 6 PHS Workshop Day

I hereby give consent for my child _____ class _____ to participate in the Year 6 Workshop Day being held at Port Hacking High School on Monday 9th March 2020. I understand that the students will be walking to and from the venue accompanied by Ms McMillan.

No payment is required for the day.

My son/daughter has the following special needs (please provide full details and include any relevant medical information)

I understand that my child will receive medical treatment in the case of an emergency.

IMPORTANT NOTE:

When a medical practitioner has prescribed medication (including emergency medication) that will need to be administered during the excursion, parents are responsible for:

- Bringing this need to the attention of the school
- Ensuring that the information is updated if it changes
- Supplying the medication and any 'consumables' necessary for its administration in a timely way. The medication should be well within its expiry date.

Collaborating with the school in working out arrangements for the supply and administration of the prescribed medication for the duration of the excursion. For some excursions the school will ask you to supply the medication in a different way to what has already been agreed to by school. You may be asked to supply an additional adrenaline autoinjector (i.e. EpiPen®) for example.
