School Uniform Policy Reminder – Years 3-6

Dear Parents/Carers,

As the weather has become cooler, we have had a large number of primary students wearing incorrect items of clothing to school, which include jumpers, tracksuit pants and hats.

A reminder that the official change over date for all students to be in full winter uniform was Tuesday 9th June (after the long weekend).

Please also note that the girls' winter uniform is the tunic with blue ribbed tights and black shoes. Black leggings, black tights or track suit pants are not part of our uniform. The girls may also wear the white blouse and checked pants version of the uniform. Please refer to the photograph below, which show all accepted winter school uniforms.

Sports uniform and Year 6 polo shirts are only to be worn on Mondays and Fridays (sport days).

We also ask that the **Zone** sport jumpers **only** be worn with **sport uniforms** and regular school jumpers and jackets should worn for the rest of the week.

If you need to update your child's uniform, our uniform shop is open each Wednesday morning 9:00-10:00am and Claudine's at Caringbah also stock our uniform.

We appreciate your support in ensuring our students wear their uniform with pride.

Thank you!

Stage 3 Teachers
