Gymnastrix Term 1 Make Up Sessions

Dear Parents/Caregivers,

Due to the previous restrictions COVID-19 placed on external visitors coming into the school, we were unable to make up the two missed Gym sessions from Term 1.

We are pleased that this term we will be able to make up these missed sessions with our Gymnastics provider – Gymnastrix.

Year 3 – 6 including 2/3R will have their first session made up this Friday 24th July (Week 1) and K-2 including Support Unit classes will have their first session made up next Friday 31st July (Week 2).

The second make up session for all classes will be Tuesday 18th August (Week 5). Students will be required to wear their sports uniform on this day.

We look forward to having these sessions made up for our students.

Kind Regards,

Jessica Cairnduff
School Sport Coordinator
